Workshops and Keynote Events

1. Department of Scholarly Affairs Research Workshop Jan 2024
 - Developed and held an interactive workshop to 75 first and second year medical students on how to engage in research and develop a quality manuscript draft
2. UC Riverside Disaster Medicine Interest Group Invited Speaker Nov 2023
 - Discussed case reports involving the management of traumatic orthopaedic injuries alongside surgical residents
3. A Medical Student’s Guide to Research & Career Mentor Outreach Sept 2023
 - Designed and implemented a workshop to over 50 students to improve student efficacy in finding scholarship mentors
4. Inland Empire Community Foundation Youth Health Policy Symposium Jul 2022
 - Discussed current state of affairs in healthcare within the Inland Empire area with the goal of identifying care gaps and creating a public policy action plan to fill them
5. UC Riverside School of Medicine Groundbreaking Ceremony Oct 2021
 - Selected by UCR SOM administration to speak at the Groundbreaking Ceremony of the new SOM Education Building II on behalf of the medical student body

Professional Experience

Ethos Healthcare Start Up Co-Founder

Aug 2021 – Present

Bacpoint Inc. | Camarillo, CA

- Create a patent-pending artificial intelligence algorithm (**US20240021013A1**) designed to precisely predict blood alcohol based on user input from the Ethos smartphone application
- Develop a smartphone application utilizing an electronic Screening and Brief Intervention platform in order to monitor alcohol intake and hazardous drinking behavior to be implemented in clinics and healthcare systems in California as part of a prospective research study
- Gain acceptance into the prestigious Mayo Clinic Platform_Accelerate Program, designed to bolster our AI framework with Mayo Clinic’s robust de-identified patient data sets

- Design a social media marketing strategy to garner over 12000 active users on the platform

Medical Student Business Ambassador

Jun 2022 – Aug 2022

Beyond Physician | *Virtual*

- Created an online marketplace for medical personnel to connect with consumers such as pharmaceutical companies, law firms, and medical startups in order to motivate healthcare professionals to capitalize on their unique skillsets

Emergency Room Scribe

Jan 2017 – Jun 2021

Hemet Valley Medical Center | *Hemet, CA*

- Documented patient information including patient history, physical exam, procedures, and test results for approximately 35 patients per shift
- Coordinated workflow between the supervising ED physician and nurses, respiratory technicians, and mid-level providers

Leadership Experience

Mentorship Committee Leadership Team

Jun 2022 – Present

Medical Student Orthopaedic Society | *Virtual*

- Operate as a liaison between pairs of mentees and orthopaedic surgery mentors to address conflicts and concerns rapidly, maintain an open line of communication, and ensure fulfillment of monthly goals and mentorship program requirements
- Coordinate with national orthopaedic groups to increase orthopaedic mentorship opportunities and access for medical students

Disaster Medicine Interest Group Founder & Chair

Mar 2022 – Present

University of California Riverside School of Medicine | *Riverside, CA*

- Spearhead the development of a hands-on curriculum consisting of case presentations and in-person workshops for medical students to train students on how to think and act in an emergency situations such as disasters, codes, and trauma scenarios
- Establish a research pipeline for students to be paired with a mentor in Orthopaedic Traumatology, Emergency Medicine, Trauma Surgery, or Anesthesiology

UC Riverside Men's Rugby Team Captain/Coach

Sep 2016 – Present

University of California Riverside | *Riverside, CA*

- Train a division II team of 30 athletes through physical conditioning and individual skill-based exercises to enhance core skills and establish foundational rugby knowledge

UC Disaster Response Network Committee Lead

Jan 2023 – Dec 2023

University of California Riverside | *Riverside, CA*

- Establish a disaster preparedness protocol at the UC Riverside campus, working in conjunction with the UC Riverside Police and Fire Department to implement readiness drills and train professors and staff in basic first response skills

Orthopaedic Surgery Interest Group Founder & President

Mar 2022 – Aug 2023

University of California Riverside School of Medicine | *Riverside, CA*

- Developed an educational curriculum geared specifically to Orthopaedic Surgery, consisting of speaker panels, in-person workshops, and case presentations in order to increase awareness and mentorship for students interested in orthopaedics

Anesthesiology Research Rotation Founder/Coordinator May 2022 – Aug 2023
Riverside University Health Systems | *Moreno Valley, CA*

- Founded and coordinate a summer research rotation in conjunction with UC Riverside SOM and the RUHS Anesthesiology Residency Program in order to offer a research rotation to medical students between their first and second years

MS1 Class Representative Sep 2021 – Jun 2022
University of California Riverside School of Medicine | *Riverside, CA*

- Elected by the student body to serve as the voice of the medical student cohort to work with SOM administration in implementing policy updates, scheduling changes, and represent student voice in order to improve medical education

Mentoring and Teaching Experience

Professional Networking Workshop Instructor Dec 2022 - Present
University of California Riverside School of Medicine | *Riverside, CA*

- Develop a comprehensive course instituted in the MS1 curriculum geared to teaching incoming medical students on how to conduct targeted outreach in order to find research opportunities, network with professionals, and identify potential mentors

STEP 1 and Anatomy Instructor Jul 2022 – Present
University of California Riverside School of Medicine | *Riverside, CA*

- Conduct regular one-on-one and group tutoring sessions as well as weekly review sessions, designed to encourage critical analysis and application of surgical anatomy and didactic topics

Suturing Workshop Instructor May 2022 – Dec 2023
University of California Riverside School of Medicine | *Riverside, CA*

- Develop and lead suturing workshops designed to provide undergraduate and medical students with an introduction to suturing skills

Ultrasound Cadre Instructor Aug 2022 – June 2023
University of California Riverside School of Medicine | *Riverside, CA*

- Provide hands-on instruction consisting of both didactic lecture and human anatomy review as well as facilitating in-person ultrasound workshops to the MS1 cohort

Community College Outreach Program Mentor Oct 2021 – Jun 2022
University of California Riverside School of Medicine | *Riverside, CA*

- Determined effective study methods, career planning strategies, and personal development activities for international undergraduate students

Service Experience

Stop the Bleed Associate Instructor Sep 2022 – Present
American College of Surgeons Committee on Trauma

- Lead lectures and hands on workshops teaching the Stop the Bleed course to law enforcement, students, and organizations throughout the Southern Inland Empire

AMBOSS Ambassador Aug 2022 – Present
University of California Riverside School of Medicine | *Riverside, CA*

- Lead nation-wide workshops for medical students and universities interested in using the AMBOSS platform and organizing institutional access

HandsOn HealthCare Advisor Oct 2021 – Present

University of California Riverside | *Riverside, CA*

- Serve as the official Advisor to mentor students through the medical school application cycle including MCAT prep, course planning, personal statement revisions, and interview preparation

SOM Admissions Ambassador Sep 2021 – Present

University of California Riverside School of Medicine | *Riverside, CA*

- Interview medical school applicants in an MMI format on behalf of the UCR SOM through the lens of UCR SOM's mission
- Spearhead outreach and pipeline events to increase awareness and recruitment within underserved and disadvantaged student populations

Medical Student Free Clinic Volunteer Sep 2021 – Present

San Bernardino Free Clinic | *San Bernardino, CA*

Riverside Free Clinic | *Riverside, CA*

- Provide health care and prescriptions to predominantly Spanish-speaking patients without health insurance under the supervision of overseeing physician

BioRender Ambassador Nov 2022 – Nov 2023

University of California Riverside School of Medicine | *Riverside, CA*

- Host virtual workshops for medical students, doctoral students and institutions across the United States and Canada interested in using the BioRender platform

Certificates

Stop the Bleed Associate Instructor | *American College of Surgeons Committee on Trauma* Jul 2022

Introduction to the Principles and Practice of Clinical Research | *NIH* Jul 2022

SALT Mass Casualty Triage Training | *National Disaster Life Support Foundation* Jun 2022

Basic Wilderness Survival Medicine | *Wilderness Medicine Society* Jan 2022

Professional Memberships

American Academy of Orthopaedic Surgeons | Medical Student May 2023

North American Spine Society | NASS ID: 707844 Jan 2023

American Orthopaedic Foot and Ankle Society | Medical Student Affiliate Oct 2022

American College of Surgeons | Medical Student Oct 2022

J. Robert Gladden Orthopaedic Society | Medical Student Aug 2022

Ruth Jackson Orthopaedic Society | Medical Student Aug 2022

Awards

Admissions Ambassador Pilot Scholarship Award Program

Jun 2022

University of California Riverside School of Medicine

- Among 2 recipients to be recognized for their enthusiastic dedication and assiduous support to the Admissions Ambassador Program

Haider Scholar

Aug 2021

University of California Riverside School of Medicine

- Among 20 recipients to be named Haider Scholar for their exceptional commitment to serving the Inland Empire community and fulfilling the UCR SOM mission

Susan Atherton Endowed Graduate Award Recipient

Mar 2021

University of California Riverside A. Gary Anderson Graduate School of Management

- Awarded a \$5,000 merit-based scholarship to the top 5% of the Fall 2020 MBA cohort

Hobbies and Languages

Hobbies

- Professional/Collegiate Rugby and American Football
- Automotive enthusiast
- Horseback riding
- Hiking
- Weight-lifting

Languages

- Urdu – Native
- Punjabi – Native
- Hindi – Advanced
- Spanish – Functional
